

Together we can unlock the value in your business.

Risk. Let's look **again.**

As a stand-alone business within the ABN AMRO Group, we provide risk management advisory services to banks in rapidly developing markets in Asia, Europe and the Middle East.

With offices in Amsterdam, Singapore, Hong Kong, Moscow and Cairo, our work ranges from multi-track projects such as firm-wide Basel II preparation and implementation, to more focused assignments such as risk model design or economic capital based performance evaluations.

We are unique in being able to combine practitioners' knowledge and consulting expertise with a strong project management methodology. By enabling clients to better understand the risk-reward dynamics of their business, we assist them in improving capital allocation and business performance.

Risk Advisory Services focuses on the following areas:

- Credit risk management**
- Market risk management**
- Operational risk management**
- Enterprise risk management**
- Asset and liability management**
